Re: Naval Weapons Station, Yorktown, Va.  
Aerial Photography Final Package/Site Analysis

Dear Ms. Norton:

Enclosed please find a copy of both Volumes 1 and 2 of the *Study Area Analysis* for the *Yorktown Naval Weapons Station, Yorktown, Virginia*. Volume 2 consists of a package of historical aerial photography for the Weapons Station, and Volume 1 consists of the accompanying text to the aerial photography which comprises the study area analysis. Results of the study area analysis include an evaluation of 42 known or suspected areas of environmental concern, as well as the discovery of an additional 13 areas of potential environmental significance.

I hope the final *Study Area Analysis* for the *Yorktown Naval Weapons Station, Yorktown, Virginia* will be useful to the Navy. If the Naval Facilities Engineering Command wishes to conduct a meeting to discuss the results of this *Analysis*, EPA is agreeable. If you have any questions regarding the *Study Area Analysis*, please feel free to contact me at (215) 597-1110,

Sincerely,

Robert Thomson, PE
